## APC Timeline Wallchart

The APC Timeline Wallchart gives candidates, supervisors and counsellors a snapshot of what they should be thinking about at each key milestone, along with useful

hints and tips. It is a prompt to remind candidates, supervisors and counsellors about what they should be focusing on at any given stage in the APC process.

The APC Timeline Wallchart is based on the latest RICS guides and templates (December 2008, updated June 2009) and is written and developed by Jon Lever FRICS.

"When I'm working with a candidate I find the APC Timeline Wallchart to be really useful. We all lead busy lives and a quick glance at the chart with the candidate keeps us on track. I'd recommend anyone to make use of this tool when they undertake their APC studies."
